OKLAHOMA CITY - A woman is stabbed by her ex-boyfriend and her 11-year-old daughter comes to the rescue, according to police.

An Oklahoma City man is hospitalized after being shot multiple times by the 11-year-old girl.

Police say the suspect attacked and stabbed the girl's mother inside the victim's home near SE 89th and Bryant.

After being shot, the suspect ran outside of the home but didn't get far.

The wounded suspect collapsed in the street and police took him into custody.

The home's back door is still smashed after the man broke inside and began stabbing his ex-girlfriend.

"He stabbed her in the eye, neck and the chest," said neighbor Carolyn Marsee.

Seeing the violent assault, neighbors say the victim's 11-year-old daughter grabbed a gun and shot the attacker multiple times inside the home.

"What she did, the 11-year-old, was amazing," said Shiree Marsee.

After the shooting police rushed Leonardo Henry, 25, to the hospital and will soon book him into the Oklahoma County jail.
